

## INDEX

- ABDOMINAL tuberculosis in children, 271  
**Aberdeen, Countess of**, the campaign against tuberculosis in Ireland, 3  
 ABSCESSES, tuberculous, 271  
 ADENITIS, tuberculous, 271  
**Adler, E.**, tuberculosis of the skin, with visceral tuberculous lesions, 41  
 "AFTER-CARE" stations, 170  
 ALCOHOL and liability to consumption, 258  
**Allen, R. W.**, channels of tuberculous infection, 204  
 AMERICAN habitations for consumptives (Bonney, S. G.), 117  
 AMSTERDAM Public Sanatorium, 92  
 ANEURYSM of aorta, 254  
 ANTHRAX bacillus, 236  
 ANTI-TUBERCULOSIS movement in the Netherlands (Van Gorkom, W. J.), 87  
 — — — necessity for unity in, 2  
 — — — popularization of the, 85  
 — — — teaching, 233  
 AORTA, disease of, 254  
 ARREST of tuberculosis, 125  
 ASHOVER Sanatorium, 279  
 ASSOCIATION at Davos-Platz, Dutch, 91  
 ASYLUMS and tuberculosis, 9, 14  
 ATMOSPHERE of sanatoria, social, 118  
 AUTO-TUBERCULIN, 268  
 BABIES' clubs, 126  
 BACILLUS, anthrax, 236  
 — — — discovery of tubercle, 236  
 BALCONIES, sleeping, 124  
 BANTUS, tuberculosis among the, 102, 104  
**Beattie, J. M.**, channels of tuberculous infection, 203  
 BEHRING'S bovo-vaccin, 201  
 BÉRANECK'S tuberculin, 270  
 BERCK-SUR-MER as a health station, 134  
 BIBLIOGRAPHY of open-air schools, 186  
**Biggs, H. M.**, prevention and arrest of tuberculosis: next steps, 127  
 BLOOD-PRESSURE in phthisis, 251  
**Bonney, S. G.**, American habitations for consumptives, 117  
 BOSTON outdoor schools, 171  
 — — — tuberculosis classes in, 33  
 BOURNEMOUTH as a health station, 281  
 BOVINE and human tuberculosis, 27  
 — — — tuberculosis, 103  
 — — — in Hungary, 248  
 BOVO-VACCIN, 201  
 BRADFORD open-air school, 188  
 BUDAPEST, obligatory disinfection in, 242  
**Buhre, B.**, the International Congress on Tuberculosis, 34  
 BUREAU of Child Hygiene, New York, 162  
**Byers, Sir J. W.**, prevention and arrest of tuberculosis: next steps, 126  
**Calmette, A.**, channels of tuberculous infection, 199  
 CAMPAIGN against tuberculosis in Ireland (Aberdeen, Countess of), 3  
 CAMPS for children, 158  
 — — — forest, 169  
 CAPE COLONY, tuberculosis in, 102  
 CARAVAN, tuberculosis exhibition, 7  
 CARDIAC disease and pulmonary tuberculosis, 249  
**Cattle, C. H.**, co-operation of public and private efforts in the campaign against consumption, 113  
 CATTLE infected by man, 112  
 — — — registration of, 128  
 — — — tuberculin tests on, 107  
 CELTIC enthusiasm, 7  
 CHANNELS of tuberculous infection (Allen, R. W.), 204  
 — — — (Beattie, J. M.), 203  
 — — — (Calmette, A.), 199  
 — — — (McWeeney, E. J.), 202  
 CHARITY Organization Society, New York, 3  
 CHARLOTTENBURG forest school, 169  
 CHEMICAL composition of tuberculous effusions (Gruner, O. C.), 191  
 CHILD Hygiene, New York Bureau of, 162  
 CHILDREN, abdominal tuberculosis in, 271  
 — — — Act, 1908, 125, 161  
 — — — and open-air life, 158, 161  
 — — — and tuberculosis, feeble-minded, 19  
 — — — Boston school for tuberculous, 171  
 — — — camps for, 158  
 — — — prevention of tuberculosis in, 163  
 — — — State guardianship of, 165  
 CHILDREN'S sanatoria in Germany, 168  
 CLASS-METHOD of treatment, 33  
 COMPULSORY notification, 51, 116  
 CONGRESS on Tuberculosis, Eighth, 1, 25  
 CONJUNCTIVAL reactions, 270  
 "CONSULTATION bureaux," Dutch, 95, 98  
 CONSUMPTION and indulgence in alcohol, 258  
 — — — Irish National Association for the Prevention of, 3

- CONSUMPTION, necessity for co-operation in combating, 113
- CONSUMPTIVES, habitations for, 117
- obligatory notification of Poor Law, 50
- sanatoria for insane, 11
- CONVICTS, tuberculosis death-rate among, 22
- CO-OPERATION, necessity for, 31, 163
- of public and private efforts in the campaign against consumption (Cattle, C. H.), 113
- Crace-Calvert, G. A.**, use of tuberculin in diagnosis and treatment, 273
- CROOKSBURY Sanatorium, 130
- Crowley, R.**, the open-air school movement, 188
- CRUSADE against tuberculosis in Hungary (Kuthy, D. O.), 239
- CUTANEOUS tuberculosis, 41
- CYSTITIS, tuberculous, 273
- DACTYLITIS, tuberculous, 271
- DAIRY industry, control of, 128
- DAVOS-PLATZ, Dutch Association, 91
- DEATH-RATE among convicts, tuberculosis, 21
- in the Netherlands, tuberculosis, 88
- Delépine, S.**, prevention and arrest of tuberculosis: next steps, 128
- DENTAL clinics, school, 167
- DIET in Boston outdoor school, 175
- DIETARY of insane tuberculous patient, 10
- DISINFECTION in Budapest, obligatory, 242
- of dwellings, 96
- DISPENSARY, Henry Phipps, 36
- DISPENSARIES, Hungarian tuberculosis, 246
- State, 37
- tuberculosis, 94
- DRINK and phthisis, 259
- DUTCH Association at Davos-Platz, 91
- sanatoria, 90
- Societies for Prevention of Tuberculosis, 98
- tuberculosis dispensaries, 96
- EDUCATION, necessity for, 114
- EIGHTH International Tuberculosis Conference, 159, 232
- ENDOCARDITIS, tuberculous, 255
- ENGLISH asylums, tuberculosis in, 15
- EXHIBITIONS, tuberculosis, 4, 6, 29, 86, 229
- FLASKS, disinfection of sputum, 196
- FOREST camps, 169
- schools, 168
- FORSTER Green Hospital, Belfast, 3
- FREEMASONS, German, 167
- FREQUENCY of tuberculous peritonitis (Maylard, A. E.), 45
- Fürst, M.**, and **de Voss, E. V.**, German methods in the prevention and arrest of tuberculosis in children, 163
- GENERAL paralysis and tuberculosis, 13, 16
- GEOGRAPHICAL distribution of phthisis, 11
- GERMAN methods in the prevention and arrest of tuberculosis in children (Fürst, M., and de Voss, E. V.), 163
- Gibson, G. A.**, the International Congress on Tuberculosis, 32
- GROESBEEK Sanatorium, 93
- Gruner, O. C.**, the chemical composition of tuberculous effusions, 191
- HABITATIONS for consumptives, 117
- Hay, J.**, heart in pulmonary tuberculosis, 249
- HEALTH Association, Women's National, 3, 4, 7
- for schools, rules of, 246
- stations, 61, 134, 209, 281
- visitors, 116
- HEART in pulmonary tuberculosis (Hay, J.), 249
- HELLEDOORN Sanatorium, 92
- HENRY PHIPPS Dispensary, 36
- HEREMA State Sanatorium, 92
- HOLIDAY camps, 169
- HOLLAND, tuberculosis in, 87
- HOME care of tuberculous school-children, 178
- open-air treatment at, 120
- Hope, E. W.**, the obligatory notification of Poor Law consumptives, 54
- HOUSE-TO-HOUSE visitation, 116
- HOUSING problem and tuberculosis, 114, 129
- HUMAN and bovine tuberculosis, 104
- — (Oeverland, B.), 107
- HUNGARY, tuberculosis in, 239
- Hyams, I. F.**, and **Minot, J. J.**, outdoor school for tuberculous children, Boston, U.S.A., 171
- IMMIGRANTS, tuberculous, 40, 102
- INDIANS in Natal, tuberculosis among, 101
- INDIVIDUAL, economic value of, 163
- INFANT life, protection of, 165
- INFECTION, channels of, 164
- through milk, tuberculous, 128
- Inman, A. C.**, use of tuberculin in diagnosis and treatment, 267
- INTERNATIONAL Congress of Hygiene and Demography, 1894, 239
- on Tuberculosis, 1, 25
- — at The Hague, 1906, 112
- — (Buhre, B.), 34
- — (Gibson, G. A.), 32
- — (Pannwitz, G.), 26
- — (Paterson, M. S.), 39
- — (Philip, R. W.), 31
- — (Woodcock, H. de C.), 36
